MESSAGE FROM OUR CHAIRMAN

I am pleased to present our annual report for the year 2021. As the secretary of our organization, I am proud to share with you our accomplishments in promoting skill development, education, entrepreneurship, healthcare, and social justice.

Our commitment to empowering communities and individuals through skill development programs has continued to yield positive results. In 2021, we launched a new vocational training program that focused on providing market-oriented skills to underprivileged individuals. Through this program, we trained 112 individuals in various fields, including tailoring, computer literacy, and plumbing. As a result, many of our graduates have been able to secure gainful employment or start their own businesses.

In terms of education, we have continued to support children from marginalized communities by providing them with access to quality education. Our school for children has been instrumental in ensuring that these children receive a well-rounded education that empowers them to achieve their full potential. We are proud to report that 100 children have benefited from our school in 2021, and we look forward to expanding our reach in the years to come.

We recognize that entrepreneurship is a key driver of economic growth and job creation. To this end, we have continued to provide support to aspiring entrepreneurs through our entrepreneurship program. In 2021, we provided financial assistance to 11 entrepreneurs, enabling them to start or expand their businesses.

We are also committed to promoting the health and well-being of the communities we serve. Our mobile health camps have been instrumental in providing much-needed medical care to individuals who otherwise would not have access to it. In 2021, we conducted 7 mobile health camps, providing medical care to 54 individuals.

Finally, we remain steadfast in our commitment to ending child labor. Our day care center provides a safe and nurturing environment for working children, allowing them to receive an education and pursue their dreams without the burden of exploitative labor. In 2021, we were able to provide support to 98 children through our day care center, and we hope to continue expanding our reach in the years to come.

None of this would have been possible without the generous support of our donors and volunteers. We are grateful for your unwavering commitment to our mission, and we look forward to continuing our work in empowering communities and individuals.

Our vision is to create a more equitable society in India, where every individual has access to education and opportunities for growth, regardless of their socio-economic background. NAVJEEVAN YOJNA - SILAI KADAI FOR WOMEN

The objective of Navjeevan Yojana is to bring people involved in the manufacture, storage and business of illicit liquor and such families in the mainstream of development by benefiting from the scheme. For this it is necessary to identify such persons and families. As part of our efforts towards the Navjeevan Yojna, we have been actively involved in providing training and resources to women to help them learn the skill of sewing and tailoring. Our team has been working closely with local communities to identify women who would benefit from this training, and providing them with the necessary resources to set up their own sewing businesses. We have conducted several training sessions to teach women the basics of tailoring, including how to operate a sewing machine and stitch different types of garments. Along with this, we have also provided them with the necessary equipment and resources to start their own businesses, including sewing machines and raw materials such as thread, cloth, and needles.

Our aim has been to empower women to become self-sufficient and independent by providing them with the necessary training and resources to set up their own businesses. By doing so, we are not only helping to support these women and their families financially, but also helping to create a more equitable and inclusive society where every individual has access to the opportunities and resources they need to succeed.

Through our work in the Navjeevan Yojna, we are making a positive impact on the lives of women in the community, and helping to create a more sustainable and inclusive economy. We remain committed to this important cause, and will continue to work towards empowering women and promoting their economic and social well-being in the years to come.

CLOTHES DISTRIBUTION IN SLUM

On 15th January 2023, Pavitra Hriday Trust carried out a successful clothes distribution drive in the Alwar district of Rajasthan. The aim of this drive was to provide warm clothing to underprivileged children and women in the community who may not have had access to suitable winter clothing. The distribution drive was organized by our dedicated team of volunteers who worked tirelessly to ensure that the distribution process was smooth and efficient.

Our team identified areas of need within the community and distributed the clothing items accordingly. We reached out to several schools in the area and provided warm clothing to the students who were in dire need of it. We also distributed clothing items to women and children from marginalized communities who were not able to afford warm clothing.

We will continue to work towards creating a more equitable and prosperous society for all.

AMBEDKAR JAYANTI CELEBRATION

On April 14th, 2022, we celebrated Ambedkar Jayanti with school children as part of our efforts to promote social justice and equality in the community. The event was held at a local school and was attended by several teachers, community leaders, and members of our organization.

The event began with a brief introduction to the life and work of Dr. B.R. Ambedkar, who is known as the father of the Indian Constitution and a champion of social justice and equality. This was followed by several cultural performances by the school children, including singing and dancing.

We also organized a number of activities and games for the children, aimed at promoting the values of inclusion, diversity, and equality. These activities included a poster-making competition on the theme of social justice and equality, as well as games and quizzes related to Dr. Ambedkar's life and work.

As part of our efforts to promote education and learning, we also distributed books and educational materials to the children, with a focus on books that promote social justice and equality. We also provided snacks and refreshments for the children, to ensure that they had a fun and enjoyable time at the event.

BETI BACHAO BETI PADAO

our NGO Pavitra Hriday started working towards the Beti Bachao Beti Padhao campaign on August 19th, 2022. We recognized the importance of this campaign in promoting gender equality and empowering girls in our community, and wanted to contribute towards this cause.

Since then, we have been actively involved in organizing awareness campaigns, workshops, and programs aimed at promoting girls' education and raising awareness about gender equality. We have collaborated with local schools and community organizations to provide opportunities for girls to learn and grow, including scholarships, mentorship programs, and educational materials.

We believe that empowering girls is crucial for building a more equal and just society, and we remain committed to our goal of promoting gender equality and empowering girls in our community through our efforts towards the Beti Bachao Beti Padhao campaign.

In addition to our awareness campaigns and workshops, we have also taken concrete steps towards promoting girls' education and empowerment under the Beti Bachao Beti Padhao campaign.

One such initiative was the provision of free admission to 20 underprivileged girls in a local school. This was done in collaboration with the school authorities and was aimed at providing access to education to girls who would otherwise not have been able to attend school due to financial constraints.

26 JANUARY CELEBRATION

We, at Pavitra Hriday, are proud to have organized a successful event as a part of the Azadi ka Amrit Mahotsav on 26th January 2023. The program was aimed at providing educational and nutritional support to children living in the slum areas of our community.

As a part of the program, we distributed books, school bags, and other educational materials to the children. This was aimed at encouraging them to attend school regularly and take an active interest in their education.

In addition to this, we also provided food and refreshments to the children. This was aimed at addressing the issue of malnutrition among children living in slum areas, who often do not have access to nutritious food.

We believe that education and nutrition are essential for the healthy development of children, and it is our responsibility as members of the community to ensure that every child has access to these basic necessities. We remain committed to our goal of providing support and opportunities to underprivileged children in our community and will continue to organize such events in the future.

FINANCIAL ASSISTANCE TO WIDOW'S

At Pavitra Hriday, we understand the challenges faced by widows in our community who may be struggling financially and emotionally. To support them, we have undertaken several initiatives, including clothes distribution and financial assistance.

We believe that every woman deserves to be treated with dignity and respect, and our clothes distribution program is aimed at providing clothes and other basic necessities to widows who may be struggling to make ends meet. Through this program, we distribute clothes that are in good condition and suitable for different seasons, ensuring that these women have access to appropriate clothing throughout the year.

In addition to this, we also provide financial assistance to widows in our community who may be struggling to support themselves and their families. This assistance is aimed at helping them meet their basic needs, such as food, shelter, and healthcare. We believe that this support is essential for widows who may not have any other means of financial support.

Our goal is to empower these women to become self-sufficient and self-reliant. We offer them training programs and vocational courses to learn new skills and become financially independent. We believe that every woman has the right to live with dignity and respect, and our programs are designed to help them achieve this goal.

SURVEY & RESEARCH ON COVID ORPHANS

At Pavitra Hriday, we are committed to supporting children who have lost their parents or guardians to COVID-19. We understand that the loss of a loved one can be traumatic and life-changing, particularly for children who may not have the emotional or financial support they need to cope with this difficult situation. To address this issue, we have undertaken a survey and research to identify COVID orphans in our community who may need our support. Through this survey, we have been able to identify children who have lost one or both parents to COVID-19 and are now living with relatives or in orphanages. Our focus is on providing these children with access to education, books, and other resources that will help them develop the skills and knowledge they need to build a better future for themselves. We understand that education is the key to breaking the cycle of poverty and providing these children with a brighter future.

Through our programs, we are providing these children with access to free education, including tuition fees, books, and other educational resources. We are also providing them with emotional support through counseling and therapy, helping them cope with the trauma of losing a loved one.

Our goal is to ensure that every child has the opportunity to achieve their full potential, regardless of their circumstances. We believe that by investing in these children's education and emotional well-being, we can help them build a brighter future for themselves and their families.

WOMEN'S DAY CELEBRATION

International Women's Day is celebrated on 8th March every year to celebrate the achievements of women and to raise awareness about the issues that women face. At Pavitra Hriday, we also celebrated Women's Day with great enthusiasm and dedication.

On this day, we organized various programs and events to honor the women who have made significant contributions to society. We also invited speakers to talk about women's empowerment and gender equality.

Apart from this, we also provided vocational training to women and offered them opportunities to learn new skills that could help them become financially independent. We also provided financial assistance to women who needed it to start their own businesses.

Overall, our Women's Day celebration aimed to empower women and promote gender equality in our society. We believe that every woman deserves equal rights and opportunities to succeed, and we are committed to working towards this goal.

ANTI DRUG CAMPAIGN

Drug abuse is a major problem in many parts of the world, and it can have devastating consequences on individuals, families, and communities. At Pavitra Hridaya, we understand the gravity of this issue and are committed to spreading awareness about the dangers of drug abuse.

To tackle this problem, we launched an anti-drug campaign in our community. We conducted awareness programs and seminars to educate people about the harmful effects of drugs on their physical and mental health. We also highlighted the social and economic costs of drug abuse, such as loss of productivity, increased crime rates, and broken families.

Our campaign focused on preventive measures such as promoting healthy and positive lifestyles and building resilience among youth. We also collaborated with local authorities, schools, and youth groups to organize activities and events that promoted drug-free living.

Through our anti-drug campaign, we aimed to create a drug-free and healthy community where people can live fulfilling and productive lives. We believe that by working together and raising awareness, we can combat the problem of drug abuse and help build a brighter future for our society.

RASHION TO ORPHANAGE

Providing ration to orphanages is a commendable initiative to support the basic needs of children who are living without their parents. Pavitra Hriday, our NGO, provided ration to an orphanage to ensure that the children there have access to nutritious food. This initiative was taken to support the orphanage and to ensure that the children receive healthy meals on a regular basis. We believe that by providing the basic necessities of life, we can help the children in the orphanage to grow and develop to their full potential. Our NGO is committed to supporting such initiatives that focus on the welfare of children in need.

In addition to providing ration to the orphanage, our NGO also organized a health check-up camp for the children. The camp included medical examination and testing for various illnesses and deficiencies. We understand the importance of good health for the overall well-being of children, especially for those living in orphanages. The health check-up camp was a successful initiative, and we received positive feedback from the staff and children of the orphanage.

Our NGO also provided essential items such as clothes, blankets, and school supplies to the children in the orphanage. These items are necessary for their daily life and education, and we aim to ensure that the children have access to them. We also arranged for a session with a counsellor to provide emotional support to the children, who often have to deal with the trauma of losing their parents.

At Pavitra Hriday, we strongly believe in helping those in need, and our efforts in supporting the orphanage are just one example of our commitment to social welfare. We plan to continue such initiatives to support the well-being of vulnerable children and make a positive impact in their lives.

HERBAL PLANTATION & SAVE ENVIRONMENT

The "Herbal Plantation and Save Environment" program is one of our key initiatives aimed at promoting a healthy and sustainable environment. We believe that planting herbs and trees not only beautifies our surroundings, but also provides many benefits for our health and well-being.

Under this program, we organize various awareness campaigns and workshops to educate people about the importance of growing herbs and trees. We also distribute free saplings and seeds to encourage people to plant more trees and herbs.

Apart from this, we also organize plantation drives in schools, colleges, and public places to promote environmental awareness and involve the community in our efforts. Our aim is to create a greener and cleaner environment for future generations to come. We believe that this initiative will not only benefit our physical environment but also promote sustainable livelihoods and improve the health and well-being of our communities.

EDUCATION TO LABOUR'S CHILDREN

Our organization, Pavitra Hriday, is committed to serving the community through various initiatives that aim to bring about positive change. One of our key programs is the provision of free schooling to children from labor families. We recognize that education is a fundamental right and that every child deserves the opportunity to receive quality education, regardless of their background.

Through this program, we provide free admission to children from labor families who may not otherwise have access to education due to financial constraints. We also provide them with all necessary educational materials, including textbooks, uniforms, and school bags. Our team of dedicated teachers ensures that the children receive the best possible education and guidance to help them achieve their full potential.

We believe that education is a powerful tool that can help break the cycle of poverty and provide a brighter future for these children. Our goal is to ensure that every child has access to education, regardless of their economic background. We believe that by investing in their education today, we are helping to create a better future for them tomorrow.

We are proud of the impact our program has made on the lives of these children and their families. By providing them with the gift of education, we are helping to build a brighter and more prosperous future for our community as a whole. We remain committed to continuing our work and expanding our program to reach even more children in need.

STATIONARY ITEM DISTRIBUTION & WOMEN EMPOWERMENT

As part of our ongoing efforts to promote education and women empowerment, Pavitra Hriday provided stationary item distribution to girls in various schools. Our aim was not only to provide them with the necessary stationery items but also to educate them about women empowerment and the importance of education. We firmly believe that education is the key to empower girls and help them achieve their goals in life. During the distribution, we also conducted interactive sessions with the girls to create awareness about women empowerment and their rights. We talked to them about the importance of education and encouraged them to pursue their dreams. We also provided them with information about various government schemes and programs that can help them in their education and career.

We received an overwhelming response from the girls and their parents. Many parents expressed their gratitude for our efforts and praised us for our commitment to the cause of women empowerment. We also received positive feedback from the school authorities, who appreciated our initiative and thanked us for our contribution to the education of their students. Overall, our stationary item distribution program was a great success, and we are proud to have contributed towards the cause of women empowerment and education. We remain committed to our mission and will continue to work towards a better future for the girls of our society.
